“ *So very sorry to hear about Ms. Mattie! This one little episode always comes to mind when I think of her. Mattie was a nurse on the floor I was working on at MNCN when I was a fairly new nurse. One day we were walking down the hall together and something happened with one of her pts..... Mattie said, let's get the RN! We both started running to go get an RN.....all of a sudden I stopped.....I said Mattie I am an RN! We both cracked up laughing!! She was such a precious soul! I loved her dearly! Praying for all of her family and friends in this very sad time. 🙏🙏🙏*
