“ Max and I go back many years ago when we both served our country stationed in Miesau , Germany, in the same unit and Platoon. We also worked together at LTPO, he will truly be missed and never forgotten, we always greeted each other by asking the question are we tracking, with a smile. He share with me that he intended to shoot his alarm clock with his shotgun after retirement. I often called him and checked on his status, he was always encouraging. Rest on my brother, I will continue to keep on tracking until my day comes as well, amen and my prayers to his dear family. 1SG Raymond L. Smith
