“ *My heart is broken. I cannot express the hurt. I lost the best friend I ever had. We were more like brothers than friends. I have no doubt that we would lay down our lives for one another. We were friends for 66 years. In 66 years we never had a cross word. He was one of the sweetest and most unselfish persons you could ever find. He always put his family and friends first. We sorely missed him.*

*Goodbye my friend...Save me a place.*

“ *My deepest sympathies to you Deanie, and your family ! I so enjoyed talking with you both when you brought your birds to the clinic . Ray always had a bag of candy for me when he dropped off gram stains. Ray was one of those special people that you never forget ! It was an honor knowing him . Thinking of you all in this time of sorrow . Ellen Adcock*
