There are so many good memories with Mike and his shenanigans. When I lived across from him and Debra, he'd stop each time he caught me outside to tell me how his tunnel was coming along...the tunnel he was digging under the road to my house! Always making us laugh. Rest in Peace, Mike. My sincere condolences to you and your family, Megan. God love him.

Can someone tell me if Mike worked at automatic electric in the late 60's and early 70's? My husband, Sam linthicum, worked with him there and played several pool games with him after work.
