“ My heart is breaking for Nancy's family, you all will be in my thoughts and prayers. Nancy and I met in first grade and went through school together. She and Charlotte King now are in the arms of the Lord and what a glad reunion they must be having along with your parents. I remember all the great times we spent together at Charlotte's grandmother's house on the weekend's. It's so terrible we all didn't stay connected but you were in my thoughts a lot especially after we lost Charlotte. I'm not going to be able to make it to the visitation and service but I'll be thinking of her and her children and grandchildren during that time.

Cathy, you've always held a special place in my heart and I know you are already missing Nancy and I'll lift you up in prayer, you remember you were responsible for my first date with Gary and it started a lifetime of love and memories and I'm so grateful you were a part of that. I hope someday I can get over to see you before we go home to our Lord. I loved spending time at your house growing up and a lot of happy memories we made that I'll always cherish.

God Bless you all!
