“ *Nick was a coach for our C Team last year with Arab Youth Athletics when Brantley played. Nick connected with the kids and they looked up to him. I enjoyed having Nick in our league because he could always make me laugh with a comment or joke. This world is a much sadder place for sure without Nick here to continue loving his wife, children, family, and countless others that had the pleasure of meeting him. Rest In Peace brother and we will continue to pray for your family as they cope with loss of you!*
