“ *My Fondest memories of Norman are him playing with my daughter Marly, His sisters two girls when we were dating and after we were married in 1986. He did everything he could to help get us into a home in Harvest, Ala once after tragedy happened in my estranged family. He was a hard worker and a smart man and even though we didn't stay together, I'm blessed to have know him. I'm Very Grateful to God He allowed us to say goodbye and make things right about some things that were left unsettled. ONLY God knew he needed me to pray for him as I got in touch with him way before he got sick and was praying for him and his girlfriend who was with cancer. I did love him very much, but we should have never gotten married at the time we did as we both had unresolved things from our past. I thank God he had a loving sister, mom and dad who cared for him. Thank you Paulette for caring about your brother and ALL the others who I did not know, especially the Church. I'm sorry I didn't know he was sick or I would've come and seen him as I moved back here in Sept 2018...God Bless you ALL and know I'm praying for you too!! Love,
