“ I remember I just saw my Aunt Pat last year when I was down I spent about an hour with her my Aunt Jan took me to her house while she had something's to and I stayed and visited with my Aunt Pat little did I know that would be the last time I would see her but she knew I loved her and I did call her and talked to her. I would like for my family to know you all are in my prayers. And to know that she is up in heaven with Jesus leading his choir and sing and is totally healed now and we will see her again someday that is a blessing in itself Love you all your cousin Sherrie Webb/Morgan
