“ *Lester and Dimple Flack Owens had three children; all born in January. Pat is the baby. I know of no person on this earth who could say one cross word about her. Anyone with whom I speak always have nothing but kind words of her. She was always sweet, kind, caring, and sincere. She was a great cook, wonderful Mother and wife, and kept a beautifully maintained piece of land called home.*

Her end life was way less than the comfort she deserved. She is again whole bodied and whole minded in Heaven with all of her loved ones who kept their appointment with God before her. I will be able to hug you again one day, my dearest, sweet Aunt who showed to me the love more like a Mother than an Aunt. I love you so very, very, very much. Until we meet again...
