“Peggy was a wonderful nurse. She was always loving and caring and so knowledgeable. I learned so much from her. I will truly miss her. Even though we were both retired we remained friends through Facebook.

“Peggy was a very close friend during our years in AHS and then we went on to nursing school together at Erlanger Hospital in Chattanooga. She had a tender heart and a caring for those in need which made for a special nurse to her patients. Rest in peace dear Peggy. You are free from the cares of this world. May God bless your family.
