“ Myra and I graduated high school together and I remember her mom and dad from years ago. They were the sweetest and kindest people and were an asset to the Arab community. I pray that God comforts you all during this difficult time.

I worked with Rachel for 17 years. She was a special lady who shared many stories with us. Working in close proximity forged friendships, kinships, and we shared the lives of our children with each other. Rachel was dear to me & to Carolyn Kelsoe who recently passed also. Rachel encouraged me to sing. She loved Silver Bells & Amazing Grace and we filled the workplace with many sing alongs, just for her. The Statler brothers were her favorite group. She never thought they received the recognition they deserved. When their Huntsville concert was announced, she wanted me to go. I did! I still have a copy of Don Williams music she recorded for me. She gave birthday & Christmas gifts & had a big, big heart. She was loved by many. May your memories of your beautiful mother bring you joy. Being a mother to her children was her greatest joy. Blessings to all of you.
