“ I had ask about her at the first of the week, only to find out she had passed...he kills my soul. I loved that lady so much. She used to put spiral perms in my hair for years and I tanned with her She always said I needed to advertise because I tanned so dark . She also did my sister's hair for years. She is missed by so so many I'm sure. She was the best of the best in the hair business. Prayers for all of her family. ❤️
