“ *When I was about ten, Rene and her friend Becky rented an efficiency in our home. They were there for just a few months, and I hated to see Rene leave. She was always fun and had a wicked sense of humor! I will always appreciate her putting up with a nosy little 10-year-old girl.*

“ Anyone that knew Rena, knew how talented she was she made her curtains, she could embroidery, crochet, made some of the most beautiful quilts, some which she won blue ribbons for!!!and need I mention her Flowers!! Seem like all she had too do was touch them and they grew and bloomed so pretty. And her husband spoiled her rotten! You could tell by the way he treated her he loved her soooo much. Thank you Ray for taking such good care of my sister. She was A very special person and sister
