“ *Mr Washam was a kind leader, and even though I wasn't the best flute player, he made me feel part of the team, and encouraged me. He was fair , and honest. I will forever remember his smile and goodness.I loved playing and marching in the band.*

“ We are all saddened to hear of your father’s passing, though the reunion in heaven with your sweet mom must surely be sweet. Your father was a tremendous leader and musician. I was fortunate to have been in Arab’s band program for 8 years, 5 of those years under your father’s leadership. He actually attended college with my parents at Jacksonville State. Our family shares many fond memories of him. You are all in our thoughts and prayers.

“ Learning of Wayne’s death was a sad day for me. As a musician, Wayne was one of my idols. He was one of the best dressed in our crowd and he spoke with kind words. I worked to dress and speak as classy as he did! Wayne and I were young Southerners (JSU) together. He was always willing to share his musical skills with us and then later with his own bands. We relied on one another to be an honest critique of our bands throughout the years and judged together for many years. Thanks for being my friend and I send prayers to Rosemary and family. We lost a good one. Darry Pilkington.
