“ For Tiffany, Ally and Davey, precious memories will be with you forever!

*Not Enough Time!*

*The time we had, Dad,  
Wasn't nearly enough  
To pack in an entire  
Lifetime of love.*

*Little boy at his father's grave  
There are so many questions  
That I need answers to,  
But now that you're gone  
There's no way to ask you.*

*But there are still photos  
To remember you by,  
Each time I look at them,  
I still want to cry.*

*They say grief is easier  
to bear as time goes by,  
But the doesn't stop me  
from wondering why?*

*Why my dear, sweet dad  
Was taken so soon,  
When he was my guiding star,  
My sun and my moon.*

*There are no answers  
To a question like this,  
So I'll cherish your memory,  
And mourn the years we'll miss.*
