“ *Rick and I just talked about 2 weeks ago. He was wanting to know how I faired the hurricane. He wanted me to let him know when I was going to go back to Michigan for a visit next year. He was planning to meet me up there so we could do something together like going to the shooting range. He calls me cousin and brother from another mother. That is because we are both saved and born again by the Holy Spirit. Jesus is our Lord and Saviour, and God is our Father. I know I will see him in Heaven one day.*
