“ *We are so very sorry for your loss. We are winter Texans and Rick sold us our first home as well as the adjacent lot. He was the first person we met and became a good friend. He introduced us to all of the popular spots to visit as well as taking us to several of his "favorites".*

We always stayed in contact, even during the 8 months we were back in Illinois. He was a person who we knew we could depend on (and did)

We will greatly miss his smile and his friendship.
