“ I remember this little guy sending his Grandmother a note saying I've been to the mail box again today and didn't find anything in there for me. My mother had forgotten his Birthday (which was very unlike her). She got his card off with that small amount of money in it and never missed it again.

“ *He was a buddy all through our el-hi days of school. Pitched ball for little league and his folks were great too. Too bad I lost track of him for 50 years. Always a good guy with excellent character.*
