“ I new Keith from 2010 and haf lost contact with him over the years ! He was genuine person that I was privileged to run across and get to know ! In our short time of talking on a daily basis he loved his family and was very proud of his kids . Keith talked about them continuously telling me he missed them and loved them dearly !! I wished I hadnt lost contact with him and will cherish all my memories of getting to know him ! R.I.P Keith
