“ Roberta came to Arab and First Baptist soon after I did and we were in the same Sunday School class. People got us confused and would call me 'Roberta' and 'Martha's mother' and she got called 'Pat.' We had fun with that and decided we could be 'sisters'. Sadly, Martha passed away a few years later, a very sad time for Roberta. I've enjoyed our trips and time with her and am so blessed to have had her in my life . She was a wonderful lady who loved her family, friends, her church, quilting and life. I miss her and will hold on to the good memories.

“ *Roberta was a very caring and talented lady who loved her family. She was not only a talented quilter but she loved to cook. I remember her telling me she would have her family over on Tuesday evenings for supper. She would also volunteer to help me sell tickets on our club's charity quilt. I enjoyed visiting with Roberta ....she will be missed by me and her quilting club.*

“ *Such a sweet lady with a sweet smile and an open heart. She loved quilting as the ladies in Lakeside Quilters loved her. She was an interesting lady...even wrote a published cookbook with her wonderful recipes. Lucky for those who have it, especially her family. She will be missed. Prayers for her family.*

“ I loved seeing Roberta's quilts that she shared with us at Lakeside Quilters for show and tell. She was a very talented lady. We worked together at the last quilt show on the door prizes and had time to sit and chat. She led such an interesting life and I felt privileged to spend time with her. She will be missed. Please accept my condolences.  
Sincerely,
