“ My name is stanley hamer, i have known roger since i was 7 Or 8 yrs old, having lived just a short distance from his family, i know all the brothers and the one sister. One occasion i remember quite well , was the trip roger went with me to decatur so both of us could register with the draft board. I remember his birthday being july 15th 1944 , mine is july 17th 1944. I have fond memories of roger, each time i saw him we would talk about that trip i remember him being very friendly , and a good sense of humor. It seems he was easy going, and enjoyed a good laugh  
Having lived in laceys spring all my life , and roger living here also , we would see each other quite often. I wish for the family peace & comfort. I will miss Roger.
