“Wow, our family is going away so quickly. Ronnie was just a few months older than me and we spent lots of summers at our grandparents farm. Even though we haven't seen each other in several years we were still family and family doesn't forget. I remember climbing the big trees at Papa's and always having so much fun. I still miss Aunt Kat, she always kept the family together. My daddy, Ray, is in the nursing home for rehab so we won't be able to make the service, so sorry for that. I'm so amazed at how much Ronnie looks like the Reeves side, he has Papa's soft, tender eyes. I know you will be missed.  
Much Love,
