“ *Ronnie Walton and I were friends since birth. We were born one day apart on April 14th and 15th, 1946. Our mothers were cousins and were in the hospital together. We attended high school together at Arab High School, Arab Alabama and graduated in the class of 1964. We worked together at the end of our careers at Redstone Arsenal. In 2014, we attended the 50th anniversary of our high school graduation together. Ronnie Walton is one friend I could never forget and I will always miss him. Rest In Peace, my dear friend.*
