“ *Dear Sally was known to her Milwaukee friends as Sally O. Lyle prior to her marrying Gordy. We worked side-by-side at Inryco, Inc. until the company closed in 1986. Sally then moved on to Miller Brewing Company as an IT Specialist. During our Inryco days, Sally was working on her degree at Alverno College and encouraged me and supported me to return to college to get my degree, which I did thanks to Sally. Of late, we shared the love of making jewelry and going to the various Bead shows in Milwaukee. What fun searching for new and different beads. It was also a pleasure for me to make jewelry for Sally for special occasions and to view the beautiful pieces she made for herself. She was a dear friend and will be deeply missed. Love to you my friend.*

“ So sorry...that doesn't sum it up... Way more than sorry to lose such a lovely friend. We had a lot of memories of our times at Alverno, classes we shared and enjoyed, times we stopped to pray in Chapel after assessing. Will surely miss such a beautiful human being.
