“ Rest in Peace now daddy. I can't imagine how I'm going to do life without you in it here on Earth with us. I've been so lucky to have you for 59 years of my life. I'm so lost now and I know you are in a better place. You were always my hero and the one I asked advice from for everything. You are so loved and missed. All my love to you from your daughter, Monica Sims Scott

“ I worked with Sam on the Arsenal from 1964 until he retired. He was a good friend and we often met in Huntsville for a meal or came by the house for a chat. He will be missed. We will be thinking of the family during this time. I will not be able to attend the visitation or funeral service because of a prior commitment.
