“ I remember riding in the car with Aunt Betty, and Samuel when we went to the water falls close to Aunt Betty's house. We had stopped for ice cream and I was in the front seat eating my ice cream when suddenly my ice cream popped out of the cone and landed in Aunt Betty's lap. We almost wrecked because we were laughing so HARD. Samuel kept laughing all the way home. That is the way I will remember him- laughing and loving life. God keep him safe and watch over him.
