“ *I met Scott in the early 1990's, and was forever mesmerized by his charm and humor! Scott knew NO strangers. Scott never judged anyone, and loved everyone! Scott was compassionate, witty, smart, generous, carefree, curious, adventurous and outspoken. He loved animals and was pure at heart! There's not going to be a day that goes by from now on, that something won't remind me of him! I cannot imagine how many friends Scott had, and all of the wonderful, special memories everyone has. Mine will forever be sacred and special to me! All of my prayers, thoughts and love go out to Scott's family and all of his friends, and especially his precious Jennifer! 💕 Rest peacefully Scottie! 💕*

“ There was never a time being around Scott that he didn't make me laugh. Scott had a fierce loyalty for those he loved and called friends. He would do anything for those that fell into that circle.

Scott was one of the most un-pretentious persons I've ever known. He was the “real deal”. Scott loved to encourage people to step outside of their boundaries. I can hear him in my head saying, “I dare you to”. You knew if you took him up on it, he would be right by your side.

Scott had a unique perspective on important things in life. He cared deeply for those in need and demonstrated acts of kindness above and beyond the norm. Among many things, I recall Scott purchasing a nice tent and other outdoor accommodations for a homeless person he came across.

There were several trips and gatherings that Scott wanted to plan, but his time was cut short. I think Scott would want us to all learn to embrace the moment and live life to the fullest.

Scott had a heart of gold, and I know he will be sorely missed by his soulmate, Jennifer, his family, and a large group of friends.

Rest in peace, my friend.

“Below is a letter Scott sent me almost 27 years ago when I was deployed in the military. I forgot I had this. I wish I never had to find this.... but grateful that I have it as a witness to the friendship and worthiness Scott infected upon those he knew and loved.

“Hey Mike, I know we won’t get to see one – another that much so I’m sending my personal journal to you. Whenever your thinking about me just read a page.”

I BELIEVE WE ALL HAVE A PURPOSE HERE, AND UNTIL WE FIND OUR PURPOSE, WE WILL MOVE FROM ONE LIFE TO THE NEXT FOREVER. IT COULD BE SO MUCH EASIER IF GOD WOULD JUST SAY, "HEY SCOTT, YOUR PURPOSE ON EARTH IS TO CARE FOR THE POOR AND SAVE SOMEBODY FROM A BURNING BUILDING." THIS WAY WE CAN STRIVE TO DO WHAT WE WERE PUT HERE TO DO AND MOVE ON TO THE AFTER LIFE AND BE RID OF ALL THE HURT AND DESPAIR, WE HUMANS HAVE TO GO THROUGH. I JUST WISH I KNEW WHY? I TRULY BELIEVE IN GOD OR A HIGHER BEING BUT I STILL WISH HE WOULD JUST TELL ME... WHY? IT PROBABLY DOES NOT HELP ANY TO WORRY ABOUT IT. WE WILL PROBABLY NEVER UNDERSTAND WHY THINGS GO THE WAY THEY DO.

SHC 08/94

The "why" has been defined, autographed in our hearts and souls forever.

Scott loved to prank and pull practical jokes. If he pranked you and you didn't think it was funny, no worries... Scott would be right next to you chuckling in tears and out of breath... flopping around like a fish out of its bowl.

Mr. Cousins you will now have the full privilege to fall asleep while being chauffeured in any form of transport or vehicle. Nor will you

need to peek behind or open any shower curtain before sitting down to excuse yourself.

May you rest in peace - thank you brother for all the years of a true meaningful friendship i will always honor and never forget!.
