“ *Sharlene was the most wonderful lady...I did not know she had gotten bad again, and was so sorry to hear of her passing.... She was so much fun (in our younger days) when we would get together for our boys to play....I have always cherished those days...And yes she missed Larry so much and I'm sure she is at peace now.... Prayers always*

“ *My beautiful Mom. I will always love and miss the kindest, strongest woman I've ever known. She was so giving. She was my hero and my rock till the end. I hope her and Dad are together now in Heaven. She missed him so much the last nine years since he died. Rest in peace and love, Mom.*
