“ *She was/is my baby sister and I miss her smile and good natured jovial ways. Grew up poor and yet we never lacked for anything because we all had each other. We are all diabetics...coming from a Native American blood line...and all thoroughly loved our children and grandchildren deeply. In her last year's she was very active in attending church and knowing that she walked and lived for God through Our Lord and Saviour Jesus. Will see her in that coming rapture..her brother Reverend Jimmy Ringgold 7/8/2018*
