“ *Many years have passed since I last saw Sharon. I met her when I worked for the Army Corp of Engineeers in the late 80's/early 90's. I remember most that warm smile she wore each day. I also remember her eagerness to help in any way she could.*

May you somehow find comfort in knowing that Sharon was loved and appreciated by many. What a beautiful legacy she leaves!

I treasure every moment with Sharon!!! She and I always loved to do things together. Taking trips together, swimming, driving together, she loved visiting me on the mountain. We laughed and cried together, held hands for encouragement when one of us needed it. She loved to come watch me sing wither it was at a stars game or at our favorite Kareoke place. We wrote letters to the military in our Military Outreach Group at church. We both loved to look at Hallmark cards and laugh at them when they were funny. She loved anything Red and truly loved flowers. I could keep going... I am going to miss my dear friend. Sharon I know you are being reunited with so many that have passed before you and for that I am so thankful and grateful!!!May God give your family joy every time they think of you and may they all stay strong and know God loves them so much!! You lived a life like Jesus!!! You shared him in all that you did and said!! I love you ! We all do!!!
