“ Great memories abound with Aunt Jean. She was always very loving and full of compliments to me. She never really came out and said it but I think I was her favorite nephew (Ha). She will be missed here, but it is comforting to know that her and Uncle Ray are reunited.

“ Tricia and I send our condolences. We remembered back in '94 she was showing us houses to buy. We were out in the Blount County looking at a farmhouse on a dirt road. On our return trip we encountered a rattlesnake in the road and she drove back and forth till it was “daid” as in pulverized with her front tire. We laughed about how seriously she didn't like that snake and she was protecting us. Godspeed Ms Jean. Love Bill and Tricia Cash.

“ Momma Jean was always so special to me. I spent a lot of my younger years with Ray, Jean, Kay and Jeanean. They always treated me as one of their family members, and I loved each of them as my family. Some of my favorite memories as a child was with the Smith family. I will always cherish those times and keep them close to my heart. Ray and Jean were special people, kind and generous and I know they will be missed by all who knew them. May you both Rest In Peace and I Love you. Always, Sherry
