“ Shirley and I were best friends in high school. We lost touch over the years since then but we reconnected about a year ago. I have so many memories of us as young girls. All the giggling and the boys we liked. There were many. We were as close as sisters and loved each other dearly. I will miss my friend so much. My deepest sympathy for her children. They were the light of her life. I will always love you Shirley Faye. RIP my friend. Butch, Kate and Todd are waiting for you.
