“ My heart is broken to hear about, Sonya, I met her when she came to work for us and joined our team in 1984. A beautiful young, vibrant, always smiling, out going, great employee that everyone loved dearly. We have kept in touch all of these years. She loved doing crafts, being with her Loving family and friends. She will be dearly missed. My thoughts and prayers are with her family at this time. May God wrap his arms around the family in comfort during this time and in the future. Sending much love to you all.
