“ On my 19th birthday this sweet friend knew how disappointed I was,  
over something silly, but he drove to my house first thing that  
morning, brought me a present, took me out to breakfast and  
shopping at Zero Gravity...lol. Lord knows I loved this guy, he will  
always hold a special place in my heart.

“ *There are too many great memories to share of Spence, so I will just say this : He was a wonderful, sweet, caring, and free spirited person. He would give you the shirt off his back and be there for you in a second, no matter the circumstances. He always gave the best advice, I could call him at 2 in the morning and he would always answer. I love him dearly and will keep him in my heart forever.*
