I remember Starla at a very young age when I used to visit with My cousin LJ. I'm a cousin on the Pritchard side. My grandmother was Aunt Bernice or better known in the family as Aunt Bunt. I am so very sorry for your loss and I am sending up prayers for you all. She was beautiful. Jada Lynne Thomas Douglas

We struggle to find the right words to say to make this a little better, but really there are no words to make this huge void in our lives better. The only thing would be to have you back and we know that you are with Jesus in Heaven. I'll see you before you know it. I love you sweet niece.

“ *Our friendship means more to me than you ever really knew. You were, no you are my family, have been for years. This is NOT how this was suppose to end, I needed to see you again. I need to hear you say the words comforter and ambulance, Starla would say "Cuntafer" instead of comforter, and she would say "amulance" instead of ambulance... I would get so tickled over hearing her say these words lol. She was definatley one of a kind, she was the one I called when I needed someone that really knew me, she was the one I called when I needed to hear the truth! I love you Starla, fly high girl, till we meet again xoxoxo.....*
