“ *I am so sorry to learn of Steve's passing. Although we had never met in person, Steve, Lezlie, and I had been friends for several years and shared mutual friends. My thoughts and prayers are with Lezlie. May she find comfort knowing that Steve is no longer suffering and his soul is at rest in peace.*

I'm so sorry to hear of Steve's passing. My prayers are with you and all your family. Steve and I have been best friends since 9th grade... sharing wonderful memories of our teenage years. Our friendship continued at UT , sailing on Lake Travis. Wonderful memories. I will miss him dearly.

Steve and I became friends in high school although we attended rival schools. Our connection was made through Young Republicans as we campaigned for Barry Goldwater in 1964. We also both attended UT Austin. We were able to remain in touch over all of those years as we went our separate ways. I am saddened by his loss and I know that Lezlie and family will miss this dear and always charming man.
