

Mrs. Susan George Black

September 16, 1956 - April 17, 2026

Susan George Black, a cherished member of the New Friendship Community in Arab, Alabama, passed away on April 17, 2026, at the age of 69. Born on September 16, 1956, Susan was the daughter of the late Amon David George and Eugenia "Jean" Cash George. A woman of warmth and steady devotion, she spent 28 wonderful years building a life of love and laughter alongside her husband, Jerry Ray Black.

Susan found joy in the simple pleasures of life and possessed a sharp, curious mind. Whether she was immersed in a challenging puzzle, navigating a favorite computer game, or getting lost in the pages of a good book, she embraced her hobbies with enthusiasm. She also had a passion for traveling, creating beautiful memories as she explored new places. Above all, Susan was a devoted wife, mother, and grandmother who took immense pride in her family.

Her legacy of love lives on through her husband, Jerry Ray Black, and her children: her son, Shannon Black (Beth); and her two daughters, Amy M. Eagen (Lisa), and Tammy Shedd (Steve). She was a proud grandmother to Joshua Black (Alex), Hannah Black, and Harper Shedd, and a great-grandmother to Eliza and Andrew Black.

Arab Heritage Memorial Chapel is honored to assist the family during this time.
