“ I am so sorry for your loss Vickie, Daniel, and Lindsey and I hate that I didn't make it to the visitation or funeral. All my best friends are from the Grove:)) Mark and I visited him a little over a year ago when he was in a rehab facility. We had a nice visit and we talked about old times at the Grove. He said he felt honored we drove all the way from Rome, Georgia. I'm so grateful that he wasn't in any pain that day. We laughed and joked around. The world will be a little less bright without him.
