“ Tommy you will definitely be missed. It did my heart well to reconnect with you after all those years from going to school together at Butler High!  
I'm thankful I got to talk with you before the Lord took you home!  
You were always so uplifting even though you were going through so much! I will never forget everytime I called to check on you.  
I would ask you, " How you doing?" you would tell me . . GIRL, I'm like sunshine on bright shiny day!  
You will always be an inspiration of how to not complain and trust in the Lord during this life's challenging times.  
Look forward to seeing you on the other side!!
