“ *To the Martin Family:
I am so sad to hear about our beloved Twyla. I just found out this morning. She was my friend. I will always cherish the fun memories especially when she and Clyde can to my wedding in Talladega. We worked together at Redstone many years ago. We will keep your family lifted in prayer.

“ *Clyde, Saunja, Chris, and family,

Twyla took me in as part of her family when we shared office together. Twyla loved each of you in her own special way. She gave her all to her family and those she considered family, there is nothing she would not do for all of us. I pray the memories last forever and I pray for your strength.
