“ What a great loss, Mr Van Talley was such a nice man and so helpful to us and our parents. He has done our family taxes for many, many years. I always sent him a "goody" package full of sweets and nuts when i sent him our yearly tax information. Mr Van Talley would call us when he had our taxes done and always say...Well I have some good news and some bad news...which do you want to hear first! But the bad news was really not that bad . When my father became deathly ill Mr Van Talley drove to Huntsville to the nursing home to visit and reassure my dad that the taxes for that year would be taken care like always. We send our condolences from our family in Minnesota to his family in Alabama. May god give him peace and rest as he truly was a hard working man on this earth. Sincere Regards, The Kuzmich & Huro Family
