“ I cannot express how much I miss you. You know I loved you so much. All the laughs we shared and talks we had. I always said I didn't want to live without you but thank God I have Dustin and he gives me reason to live. I hope I can be one third of the Lady you were. I hurt so much that I can't talk to you everyday and tuck you in bed at night and tell you how much I love you. I miss you so much mama and last time I hugged you I cried and told you I'd see you in Heaven and I know I will...
