“ *Bill and I saw each other at our last class reunion. We briefly talked about some of our teachers , small talk. We laughed at some of the things we did when students at Arab High. He lived Madison and I in Huntsville. We both committed to visiting each other. Well, seems as if we never made that happen before his passing.*

I extend my Deepest Sympathy to his family and friends. Bill made a journey, we will all have to made. He made his too soon.

May God give family the Peace only he can give.
