“ *I remember when I first met PeeWee. We had just bought the farm and starting to work on everything. Well PeeWee wanted to drive the skid steer but didn't know how, and brother Jimmy said no! Well I had them park skid steer away from everything that morning. After PeeWee and I had finished working I told him go get on it and learn to drive it. Well he had been on it a good bit when Jimmy came to pick him up and PeeWee was driving it. Jimmy about stroked, PeeWee and I was laughing so hard because from that day forward PeeWee drove the skid steer and absolutely loved it. What a great time PeeWee and I had working at the farm. Going to miss you but I will always remember those times, we worked so hard and laughed so much.*
