“ I am saddened to hear of the passing of Wynelle. My annual Christmas card was returned and I felt compelled to "research." I am the daughter of Raymond (first cousin through Callie Peek Shumate). I have many fond memories of spending hours and lodging with her and Lenard on many occasions. At my initial visit in their home, Lenard christened me with the Alabama fight song on ??? his piano (organ, synthesizer) downstairs. Her gentle, yet witty personality will linger with me always. I am wondering if Max is still alive. On the many times (not often enough) that I spoke by phone with her, she told me of the passing of so many family members. Love and prayers to the family.
