You all are in our prayers. Our son Davis remembers Zach from middle school and said he always had the best deer jerky. Said his grandfather made it wouldn't tell how they made it. May God hold you in His arms and carry you through this time.

“ *My favorite memory of Zach was the summer he spent a few weeks with me & I took him golfing for the first time. He thought it was the coolest thing. He messaged me the other day & asked if i remembered that. It meant alot to me that he had remembered it. I hate that my children or my husband never met you. You will always be in my heart. I love you, Zach! -Aunt Jenn*

“ Zack was a true friend. I only knew him a few years before he joined the navy then moved to Alabama to be with Andrea but enjoyed the times we spent hanging out. Too many good memories with him to share. He will be missed dearly. "Love ya like a brother Puddin"

I loved you the first day I saw your face and have always loved you ..you will forever be my hero ...

One of my favorite memory zach was the fact that he loved to stuff his pockets with frogs when he was little ...omg his pockets would be packed full with little froggy legs hanging out ...lol zach always wanted to keep those little frogs ...most of the time they would be dead cause he would stuff them tight in his little pockets ...lol what a mess ...

Zach, you when your Mom & I were young & would come spend the night, you just a baby, we would make you a bed on the bean bag. My mom said she had a dream you roll off the bed onto the floor. Well when we woke up you were on the floor, we laughed so hard. You touched our hearts then with so much joy and laughter...and continued to do so as you grew up.

I love you and will you will always be in heart.
